

DURALENS™

High Quality Lenses for High Power CO₂ Lasers

- Compatible with all major laser systems in the market
- Approved and used by leading OEMs
- Designed for high durability and accuracy
 - Manufactured by automated CNC technology to assure complete uniformity
- Manufactured according to the highest precision specifications
 - Absorption $\leq 0.2\%$
- All manufacturing is done in-house

Ophir is a Newport Corporation brand.

Established in 1976, Ophir Optronics is a global leader in precision IR optics, laser measurement instrumentation and 3D non-contact measurement equipment.

Our CO₂ Optics Division produces a full range of OEM and replacement optics including beam-delivery and cavity optics as well as windows.

Ophir provides the highest quality CO₂ optics at the best price.

Our commitment to the customer is second to none, with a global distribution and support network.
